

## **Don't Be Afraid!**

In this unpredictable life of ours, **fear not**. The **unknown and chaos** are where we thrive as street photographers. Move forward with **curiosity**, just as a child would.

### **Embrace the Superhero Within**

*"Think of yourself as a kid with a cape on, standing on top of the dining room table, leaping and pretending to be Superman."*

Let's approach life with that same fearless spirit. Go forward as the **new, real Supermen**, embracing uncertainty and soaring through the chaos with confidence and curiosity.
