

# 3 Powerful Street Photography Tips: How to Work the Scene (Patience, Movement, Heart)

**Don't leave the scene—let the  
scene leave you.**

# Patience & Presence — Street Cleaner

- Wait for alignment of light, gesture, and form
- Stay until the scene leaves you
- Patience reveals composition

**Photography has nothing to do with photography. It has everything to do with how you engage with humanity.**

# Courage & Human Connection — Caretaker

- Be human first, photographer second
- Connection gives emotion to composition
- Courage comes from the heart (Latin: cor)

**Composition is a result of where you position your physical body in relationship to the subject and the background and when you press the shutter.**

# Physicality & Positioning — Woman in Paris

- Move through space until the moment align
- Your feet are your zoom lens
- Composition is discovered through motion

# The Philosophy of Working the Scene

- Patience. Movement. Heart.
- Stay until the scene leaves you.
- Move until composition reveals itself.
- Engage with humanity
